## Announcing Blockchain Real Estate Summit in Austin, TX

# THE BLOCKCHAIN REAL ESTATE SUMMIT

**BLOCKCHAIN TECHNOLOGY HAS THE POTENTIAL TO UNLOCK MORE THAN \$280 TRILLION OF ILLIQUID AND INACCESSABLE REAL ESTATE VALUE STARTING NOW.**

On September 9 & 10, 2021, the first ever **Blockchain Real Estate Summit** will be held in person and online in Austin, Texas, USA.

Over 400 industry leaders from traditional Real Estate Investment and Capital Raising will be gathering with Blockchain Real Estate, Securities & Trading, and Real Estate Tokenization professionals to chart the future of Tradable Private Real Estate.

The Keynote Speaker will be [Stephane De Baets](#), blockchain and tradable real estate pioneer who issued the [AspenCoin](#). De Baets will be interviewed by [Robert Helms](#) of the Real Estate Guys who is host of one of the longest running and most popular real estate investing podcasts in the world.

WHY BLOCKCHAIN? This transformative technology allows individuals to move and exchange value instantly all over the world in the same way that the internet allows you to communicate. It allows assets and money to move the same way we already move information over the internet.

The Real Estate Blockchain Summit is the global intersection of FinTech meeting PropTech to create worldwide access to the wealth-generating benefits of real estate.

The summit will also highlight Real Estate Blockchain projects that are going to revolutionize title, ownership, property management and investing in real estate. Real Estate, Securities, Legal and Regulatory experts will be on hand to guide mainstream adoption of blockchain to achieve frictionless Tradable Private Real Estate.

In addition, more than 40 globally recognized leaders in the real estate capital markets, securities industries and technology companies will be in attendance.

The location will be the AT&T Hotel Conference Center on the University of Texas campus, located in Austin, Texas. 1900 University Ave, Austin, TX 78705
